General Membership Meeting, January 16, 2014
Wells Room, Westminster Presbyterian Church

John Quinn, Treasurer, reports that revenue is very good relative to expectations. We are ahead of budget and forecast to stay so.

Please volunteer to help with membership. See Jenny Quinn.
Everyone please reach out directly to friends/neighbors.

Bonnie Mariano reports on parking permit enforcement. City has cars with license plate scanners. Knows our plates by district. They go by every 2+ hrs. If a car is still there and is not a plate in the permit database, gets a ticket. No enforcement by police for visitor permits.

Richard Conti says cars are supposed to be able to deal with visitor permits too. He will discuss at next city meeting. Renewal letters for permits went out; due date is February 15.

Rich Berkeley from Hudson/Park spoke about Lax on Lark. BZA ruled to close 11 PM. City Codes said 4 a.m. was okay. Paperwork due 1/24 from city. Letter campaign. Cabaret permit is separate issue. May return on 2/2. Should be after decision (though not appeals) on BZA hours case.

2 robberies. Perp caught in one of them. Car burglaries 4-6 pm. Call 462-8049. Or dispatch at 438-4000.

NIXLE. Find from city web site. Tells you about snow emergencies and other information from the PD.
